DATA SHEET

BLANTON'S GOLD EDITION

DESCRIPTION

Blanton's Gold Edition was created for discerning bourbon aficionados who appreciate exceptional smoothness and complexity in their bourbon whiskey. The nose is first marked by spicy rye and tobacco notes. Caramel and honey follow soon after, mingled with dark fruit and citrus notes.

The palate emulates the same complex nose with rye, tobacco, and honey at the forefront. Round and bold notes of charred oak and vanilla carry you through to an extremely long and harmonious finish. This bourbon consistently delivers on balance and character, on par with the world's finest whiskey. Best served neat or with a splash of water.
